Firmalert

Know which firms are joining
and leaving the industry

Background

It is important to only accept business from appropriately authorised firms.

But it's not always easy to know whether a firm has completed its application process, or when it becomes de-authorised.

How it works

Firmalert is a weekly report showing you:

- All the firms that have received authorisation in the previous week

The Excel spreadsheet report is sent to subscribers each week via secure internet file transfer.
